About JVC

Hello and welcome to Jordanian valves company (JVC) the place to find the best water valves, pipes, fittings, pumps, fire fighting & fire alarm equipment for any kind of projects. We thoroughly check the quality of our goods, working only with reliable suppliers so that clients only receive the best quality product.

(JVC) Started as a small business in Jordan – Amman 2016, and we have big dreams. Our passion for supplying mechanical equipment for commercial and industrial sectors, means that we provide our customers nothing but the highest quality of products, value and commitment that are guaranteed to meet their needs and keep them satisfied! With a motivated team, we strive to be the creative minds that brings satisfaction to our clients. Our customers are our top priority and through what we supply we work hard towards building long-lasting and meaningful relations with them.

We hope you enjoy our products as much as we enjoy offering them to you. If you have any questions or comments, please don't hesitate to contact us.
